## Drawing Workshop

### MATERIALS

The materials for this class are determined by the by the individual student. However, the choice must be a “drawing medium” not painting, unless it is in combination as a mixed media application.

This is the opportunity to perhaps explore a medium with which the student is not familiar or to hone skills in an already familiar medium.

If not sure, please bring soft pencils (4B, 6B), drawing paper and a kneaded eraser to the first class and we will expand from there. By obtaining any or all of these materials before the first session, your first meeting will be much more productive.

If you have any questions, please call the Pyle Center at 480/350-5211 and we will have the instructor, Donna Levine, call you back.
